

Lane Etiquette Rules

Bradfield College Sports Complex aims to ensure that everyone visiting our facilities and using our pool have a safe and enjoyable time.

Therefore we ask that you:

- **Select a lane appropriate to your speed: Slow, Medium, Medium/Fast, Fast**
- **Give way at the end of the lane to a faster swimmer**
- **Rest in the corner of the lane**
- **Enjoy your Swim!**

Please do not feel offended if asked to change lanes by a Lifeguard – this is to keep the lanes moving.
